

The United States Courts for  
the Eastern District of Pennsylvania

-Notice to the Courts-

At or around the time of 1:00pm  
on 7/23/2021 I woke up with my stuff thrown  
about, I have a large "Knot" on my head  
and a severe headache. I could die and the  
correctional officers WILL NOT KNOW until they  
find me dead. Already in rigor mortis. I will take  
this to the supreme Court but, my life being  
put into a position of worthlessness really defeats the  
saying "all people" are born equal" and the presump-  
-tion of <sup>(men)</sup>innocents until proven guilty, being axiomatic  
and at the basis of a free society is DEST-  
-ROYED in this disgusting corrupt facility.  
"Deliberate Indifference" is not just a good  
pleading in this pathetic situation, it is almost un-  
arguable your Honor.

-I declare under Penalty of Perjury that  
all information as within this document and att-  
-achment are TRUE and CORRECT.
